Da Nang is one of the major port cities in Vietnam and is considered as the commercial and educational center of Central Vietnam. Today, Da Nang is becoming a “hot destination” for domestic and foreign tourists in terms of cleanliness, safety and the great golf and beach resorts. Danang has won plenty of accolades since golf was first played there – with good reason. The region boasts world-class courses and can hold its own with any other golf destination in Asia. In fact Ba Na Hills was recently voted one of the best courses in the world. It’s also a fact that the plethora of culture, history, food and sightseeing in and around Danang, nearby Hoi An and Hue makes the Central Coast a standout destination.

Join your PGA Host Grant Williams for this wonderful golfing experience.
